4. I will only take tests on my own name, and I will not give anyone else access to my password.
5. I will not talk in the testing area, and I will not help others answer test questions.
6. I know that if I do not follow these rules, my name will be removed from the program.
7. Parents must sign and give their child permission to participate in the District's electronic communication system because the AR program is a networked program.
